

Yellow Fever Vaccination Centre: Annual Return report 2019

The Annual Return 2019 from Yellow Fever Vaccination Centres in England, Wales and Northern Ireland is published on the Yellow Fever Zone

The [Annual Return 2019](#) is published.

Yellow Fever Vaccination Centres (YFVC) in England, Wales and Northern Ireland (EWNI) are required, under the YFVC [Conditions of Designation](#) and [Code of Practice](#), to submit to NaTHNaC an annual return of vaccine use and YFVC practise for the preceding year.

Thank you to all the YFVCs in EWNI who completed their Annual Return for 2019.

More information and access to the full reports for 2019 and previous years can be found in [Managing Your YFVC - Annual returns](#).
