

Notice for Yellow Fever Vaccination Centres: Stamaril vaccine supply

Yellow fever vaccine stock levels: Sanofi Pasteur

- This updates the news item of 21 July 2022

If you are experiencing difficulties in obtaining supplies of yellow fever (YF) vaccine, we recommend contacting Sanofi Customer Services for information on YF vaccine availability and delivery times, which may be affected by a number of circumstances.

Sanofi Pasteur

Medical Information Department

0800 035 2525

uk-medicalinformation@sanofi.com

In addition, if you have YF vaccine stock limitations, you should consider prioritising YF vaccination for those travelling YF risk areas in the next 14 days, to ensure protection and certificate validity.

If you are unable to provide YF vaccination, signpost the traveller to an alternative nearby Yellow Fever Vaccination Centre (YFVC). NaTHNaC provides a [searchable list of YFVC in England, Wales, and Northern Ireland](#) (and elsewhere in the UK).

Admin Leads for YFVCs are reminded to ensure that details about the YF services provided, including availability of YF vaccine at the centre, are updated regularly and are current.

To check/update the YFVC record, the Admin Lead should log in via the [Yellow Fever Zone](#) and select 'centre details'.
