New: Yellow Fever Vaccination Centre (YFVC) search locator map

A new search option is now available

Yellow fever vaccine can only be given at designated Yellow Fever Vaccination Centres (YFVC).

You can now search for YFVCs in England, Wales or Northern Ireland, using an interactive map.

You can also search by putting the first few characters of a postcode or location into the search box on the search locator page.

See the search locator on the Yellow Fever Zone for more details.
