

NaTHNaC telephone advice line for health professionals; temporary revised opening hours

Telephone advice line service for health professionals

NaTHNaC provides a telephone advice line for health professionals who have queries about complex itineraries or travellers with special health needs. Further details about this service is available on the [Contact Us page](#).

On the 18, 19 and 20 March 2025 there will be a planned change to the afternoon opening hours to 14:00 - 15:30. This is a temporary change with normal hours resuming on Friday 21 March.

We apologise for any inconvenience caused.
