

ICVP email enquiry service for health professionals

A service for non-clinical enquiries from health professionals regarding the International Certificate of Vaccination or Prophylaxis and other vaccine certificates

- **This updates the news item of 30 June 2020**

NaTHNaC has extended the email service for health professionals to cover non-clinical enquiries relating to:

- the International Certificate of Vaccination or Prophylaxis (ICVP) for yellow fever vaccination
- the ICVP for polio vaccination
- other vaccine certificate requirements for travel e.g. relating to Hajj/Umrah.

All clinical enquiries should continue to be directed to the NaTHNaC health professional advice line on 0207 383 7474.

Further information about this email service is available on the [Contact Us](#) page.
